

1X 75 BACK RIGGER

Boat: **7.73 m**

Width: **0,285 m**

Athletes: **70 - 85 Kg**

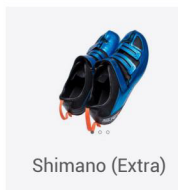

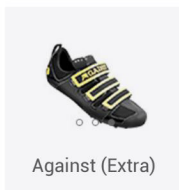

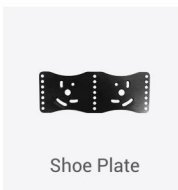

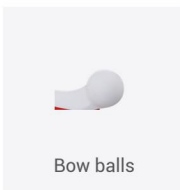

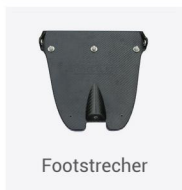

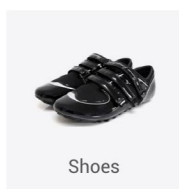

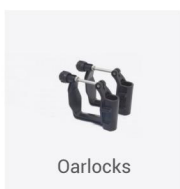

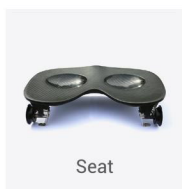

Constructions:

7 (SCS) - 14 Kg

ABOUT THE BOAT

This model is an evolution of the 1x75FR that we built with back rigger option. The hull design remain: flatter hull, with main goal of keeping it sliding longer and higher, reducing the pitching movements in each stroke. This concept has its peak in the bow, which is inverted, thus decreasing drag with all the previous advantage.
